<u>Subject:</u> Disclosure under Regulations 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

We are pleased to announce the acquisition of **two substantial new orders from esteemed and renowned brands**, **each valued at approximately 6 crores**. These orders contribute to our healthy and robust unexecuted order book, which now stands at around 25 crores. The execution of these orders is progressing smoothly, reinforcing our commitment to delivering high-quality products and services.

In our continuous effort to enhance quality and efficiency, we have procured the **state-of-the-art Salvagnini P2 Panel Bender**, a fully automated machine renowned for its precision and consistency in sheet metal folding. This high-end equipment, which is among the best in the industry, sets us apart from our competitors by ensuring superior quality and consistent execution. Since these machines are only imported and highly expensive, only a few companies have them installed in their factories. The investment in this advanced technology aligns with our goal to excel in the quality we provide to our clients.

As we have announced the signing of a Memorandum of Understanding (MOU) for the acquisition of new land in close proximity to our existing plant. The new site is expected to become operational within 1.5 to 2 years. In the meantime, we are actively engaged in **cost rationalization** efforts at our current plant, which is operating near full capacity to improve margins. This expansion is critical as we continue to operate in a volume-driven industry.

Leadership Excellence

We are proud to have Mr. Sudhir Soundalgekar, an accomplished leader with 36 years of experience in the projects industry, to our board as an Independent Director. He has a remarkable track record with 1,800 design-execution projects across various sectors including Retail, Commercial, Insurance, Industrial, Warehouse, and Residential. His expertise in driving efficiencies, reducing costs and time, and enhancing modularity and quality has been instrumental in the exponential growth of organizations.

He has a robust and diverse background in Project Management and Sustainability. With notable roles such as Director of Projects & Sustainability at Raymond for 5 years, Vice President at Shoppers Stop Lifestyle for & Speciality Projects for 9 years and Assistant Vice President at Tata AIG Projects & Facilities for 6 years, he has accumulated significant experience. His career spans reflecting a deep commitment of more than 12 years to design development and execution from a foundational level up.

This blend of roles showcases his expertise in leading complex projects, managing sustainability initiatives, and driving strategic growth in various sectors.

We believe these advancements and leadership additions will significantly contribute to our company's growth and reinforce our commitment to quality, sustainability, and excellence in execution.
